

REMARKS

This amendment corrects a typographical error in claim 42. It is assumed that the previous Amendment to claim 46 to change "version" to "vision" has been entered. Because the current amendment corrects a clear typographical error and reduces the number of possible issues on appeal, entry of the amendment is requested.

Because this amendment is being filed within the pending of an appeal, no fee is believed due. The Commissioner is authorized to charge any additional fees or credit any overpayment to Deposit Account No. 20-1504 (GIJ.0002US).

Respectfully submitted,

Date: June 2, 2005
